PUROBEACH PALMA

Our first Purobeach, which opened in June 2005, is a symbol of comfort and sociability. A privileged location and the best balcony overlooking the sea in Mallorca: a miniature peninsula with 180° views over the sea.

Purobeach Oasis del Mar is a paradise that offers a Mediterranean lifestyle with a restaurant, hall, a terrace with a swimming pool and massages.

A perfect place to spend the day and night in an oasis of contentment, starting with a massage by the sea followed by a refreshing swim in our pool and a sunbathing session in our sun loungers. You can then try our international menu with its influences from Miami, Marrakesh and Melbourne, before enjoying a drink as you watch the best sunset in Mallorca.

The fun continues at night with our events and social occasions, with our DJs playing the best music live at Puro Music. Guests arriving by boat can anchor just in front of Purobeach, at the coordinates 39°32'00" 46N - 2°42'31"73E.

FOOD & BAR

Purobeach Palma is the ideal place to enjoy a day of relaxation and to enjoy good food with friends next to the swimming pool, on our terrace or in our indoor restaurant.

The healthiest options include a range of salads, woks, shakes, health drinks and fruit bowls. The Purobeach Palma bar has a wide range of international cocktails, spirits, wine and champagne, as well as our Puro Wine collection. The menu and dishes are refreshing and informal, inspired by our M3 food concept: Miami, Marrakesh and Melbourne. To make a booking, contact us at:
